

## SARAH BROLL, '10

### Recipient of The IFSA Foundation Study Abroad Scholarship

Through the Global Understanding Initiative, St. Edward's encourages students to learn and explore different international perspectives through personal experiences such as Study Abroad. Sarah Broll took this challenge to heart with the help of a Study Abroad scholarship that has inspired her to help people and make a difference in the world.

Sarah is a sophomore majoring in Social Work, with minors in German and Spanish. She is currently studying abroad in Koblenz, Germany. During her freshman year, Sarah volunteered at the International High School where she was inspired by two students who had recently moved to Austin from Mexico. "Their desire to learn, their bravery, and their determination were a revelation to me." The education she is receiving at St. Edward's has led Sarah on the right path and has piqued her interest in many different fields.

During past semesters, Sarah participated in the Social Work Student Association, the Fellowship of Christian Athletes, and the Residence Hall Association. These experiences taught her that even a small group of people can make a huge difference. Sarah is one of three in her family to attend St. Edward's. Her brother Nicholas graduated in 2004, and her brother Adam will graduate in 2008. "The scholarship I have received has made a world of difference. If I become overwhelmed or frustrated with an assignment, all I have to do is stop and remember that people out there are rooting for me. Thank you from the bottom of my heart for this opportunity. You have truly blessed me."

"Thank you  
from the bottom  
of my heart  
for this  
opportunity.  
You have  
truly  
blessed  
me."
