

welcome

Our goal for Orientation is to provide you with the opportunity to become acquainted with and involved in all aspects of St. Edward's University.

We hope during Orientation you will get the chance to make new friends, learn about exciting opportunities on campus, and explore the services, organizations and people that make St. Edward's such a remarkable place. You will learn more about your major, complete an academic advising and registration session, and find out about the services available to you. Remember, you can't take advantage of everything St. Edward's has to offer if you don't know what's here!

If you have any questions, don't hesitate to call us in the Dean of Students Office at 512-448-8408.

We're glad you're here!

Orientation Staff:

Lisa L. Kirkpatrick, associate vice president, dean of students
Nicole Guerrero Treviño, associate dean of students
