2009-2010 Parent PLUS Loan Request Form

If you borrowed a federal parent PLUS loan at St. Edward's last year, you can use this form to request a new PLUS loan for the 2009-2010 academic year.

Indicate the total amount of PLUS loan for the 2009-2010 academic year that you (the parent) intend to borrow:

\$	Total Requested PLUS Loan Amount
----	----------------------------------

Indicate over which semesters the total amount indicated in the box above should be evenly divided:

- Summer 2009 Fall 2009 Spring 2010

This loan will be processed through the lender indicated on your PLUS Master Promissory Note (MPN) on file at St. Edward's University. Under the rules of the federal PLUS program, your lender will conduct a review of your credit before funding this new amount. Only the parent borrower indicated on the PLUS MPN may use this form to borrow a new loan. If you plan to change borrowers or lenders, you must complete a new PLUS MPN.

BORROWER INFORMATION:

Parent Borrower's Name: _____ SS Number: _____

Student's Name: _____ SS Number: _____

The proceeds of the PLUS loan money will be deposited directly into your student's account to pay off any institutional charges (including tuition, fees, contracted room and board and any other allowable charges) that your student may have. Any money that is left over after all charges have been paid can either go to the student, with your consent, or can be mailed back to you.

Indicate whether you want any remaining credit balance to be released to the student or to you (the parent).

- I authorize St. Edward's University to allow any remaining credit balance of my PLUS loan to be released to my student.
- I do not authorize St. Edward's University to allow any remaining credit balance of my PLUS loan to be released to my student. I would prefer the balance be mailed to me. **I understand that by choosing this option, my student will not be provided means from the university to purchase books and supplies. I also understand that any such credit will most likely not be sent to me until after the start of each semester.**
